**9th Annual Conference of
Endocrine Society Of Tamil Nadu and Puducherry
27th, 28th & 29th August, 2021, Chennai**

Respected Friends and Colleagues,

The Chennai team of ESTN invites you with great pleasure to **TRENDO 2021**, the 9th Annual Conference of the Endocrine Society of Tamilnadu and Puducherry, which will be held as a Digital conference this year on 27th, 28th and 29th Aug 2021. The theme of our conference this year is “Clinical Advances in Diabetes and Endocrinology”.

TRENDO (Trends in Diabetes and Endocrinology) is the premier event hosted by the Endocrine Society of Tamilnadu and Puducherry (ESTN). Previous years have seen meticulously planned scientific sessions cover all clinically relevant domains of diabetes and endocrinology, catering to a wide audience. **Registrations in 2020 touched a record 7000.**

Path-breaking treatments have led to paradigm shifts in management. Newer diagnostic and monitoring modalities are constantly evolving. **TRENDO 2021** aims to bring you the latest advances in Endocrinology and Diabetes. The organising team has meticulously planned scientific sessions covering all clinically relevant domains of diabetes and endocrinology with a right mixture of plenary lectures, symposia, interactive clinical case discussions and debates. Distinguished faculties from India and abroad have been invited to deliver the best in science in clinical practice.

With an interactive format and diverse topics covered, the conference presents an ideal learning opportunity for all doctors and postgraduates. Oral and poster presentation scientific sessions are included to encourage research and participation of postgraduates and physicians with interest, to showcase their research work on the digital platform.

Please do not hesitate to contact us if you have any queries through email:

Best Wishes and Regards,

Dr. Jayashree Gopal (Organizing Secretary)

Dr. Muthukumaran Jayapaul (Joint Organizing Secretary)

Dr. Sridhar S (Organizing Chairperson)

Dr. Krishna G Seshadri (Scientific Chair)

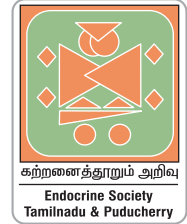

**9th Annual Conference of
Endocrine Society Of Tamil Nadu and Puducherry
27th, 28th & 29th August, 2021, Chennai**

The Endocrine Society - Tamil Nadu and Puducherry

The Endocrine Society of Tamil Nadu and Puducherry was formed in 2013 with a view to spread awareness about the specialty to the public and to fulfill the need for a state level organization for the specialty. The aims of the Society are to unite all practicing physicians, endocrinologists qualified and trained or otherwise interested to work for the cause of Endocrinology and subjects with Endocrine disorders. The other aims are to propagate recent developments in the endocrine science through periodic conduct of conferences and publish journals, newsletters or guidelines. To publish books for lay public, under and post graduate medical students and others.

TRENDO 2021 will also represent the 9th Annual Conference of the Endocrine Society of Tamil Nadu and Puducherry. It is conducted with a view to spread up to date evidence based knowledge in Endocrinology & Diabetes to Physicians, specialists with allied interest such as Gynecologists and Pediatricians and general practitioners.

Abstract Presentation

The Chennai team of ESTN invites you with great pleasure to **TRENDO 2021**, the 9th Annual Conference of the Endocrine Society of Tamilnadu and Puducherry, which will be held as a Digital conference this year on 27th, 28th and 29th Aug 2021. The theme of our conference this year is **“Clinical Advances in Diabetes and Endocrinology”**.

TRENDO (Trends in Diabetes and Endocrinology) is the premier event hosted by the Endocrine Society of Tamilnadu and Puducherry (ESTN). With an interactive format, excellent international & national faculties and diverse topics covered the program presents an ideal learning opportunity for all doctors and postgraduates. This year registration is free, but mandatory.

In order to help postgraduates who require having Presentations/Posters in national conferences, we have created a Poster/Oral presentation with digital platform. We welcome abstracts from faculties, delegates, post graduates and medical students. The abstracts should be emailed to **estntrendo2021@gmail.com**. The format for the abstract is given below.

The last day for online submission of abstracts is Aug 15th 2021. There are attractive prizes for the top poster and oral presentations.

Please do not hesitate to contact us if you have any queries. Email:
