# 13<sup>TH</sup> ANNUAL CONFERENCE OF ENDOCRINE SOCIETY OF TAMIL NADU AND PUDUCHERRY

Dear Colleague,

Vanakkam !

It is our proud privilege and pleasure to welcome you all to **TRENDO 2025**, the **13<sup>th</sup> Annual Conference of the Endocrine Society of Tamilnadu and Puducherry** to be held on **June 27<sup>th</sup>, 28<sup>th</sup> & 29<sup>th</sup>, 2025** at **ITC Grand Chola**, Chennai.

As you are aware **TRENDO 2025** is immensely popular among Physicians, Gynecologists, Pediatricians and Diabetologists for its superlative scientific content and unbiased evidence-based knowledge. In the last decade **TRENDO** has grown to be the most sought-after annual event among the medical fraternity in Tamil Nadu and South India. We this year anticipate 1500-1800 delegates comprising of Physicians, Endocrinologists, Diabetologists, Gynecologists and other specialist practitioners. The scientific programme will involve renowned International and national faculties in the field of Endocrinology and Diabetes. The program has been designed to maximize learning, minimize bias and improve interaction. The conference will focus on recent advances in Diabetes, practical management of Thyroid disorders, newer aspects in Obesity management, metabolic bone disease and disorders including special populations like pregnancy.

We would like to take this opportunity to invite all scientific community to join hands with the **ESTN team** to make **TRENDO 2025** a phenomenal success. We at the outset thank the organizing committee who have spared no effort to keep the content and quality of **TRENDO** at a superior level. Once again, we are glad to welcome you to **TRENDO 2025** and please do not hesitate to contact any member of our team for any queries regarding the meeting or your participation.

Looking forward to meeting you all in person.

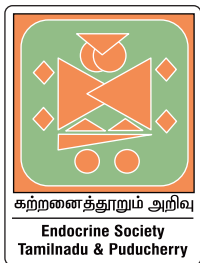

Best wishes

## The Endocrine Society - Tamil Nadu and Puducherry

The Endocrine Society of Tamil Nadu and Puducherry was formed in 2013 with a view to spread awareness about the specialty to the public and to fulfill the need for a state level organization for the specialty. The aim of the Society is to unite all practicing physician endocrinologists qualified and trained or otherwise interested to work for the cause of Endocrinology and subjects with Endocrine disorders. The other aims are to propagate recent developments in the endocrine science through periodic conduct of conferences and publish journals, newsletters or guidelines. To publish books for lay public, under and post graduate medical students and others.

**TRENDO 2025** will also represent the 13<sup>th</sup> Annual meeting of the Endocrine Society of Tamil Nadu and Puducherry. It is conducted with a view to spread up to date evidence based knowledge in Endocrinology & Diabetes to Physicians, specialists with allied interest such as Gynecologists and Pediatricians and general practitioners.
